I,……hereby apply for membership for the year commencing 1st July……
and ending 30th June……and agree to abide by the Rules and Regulations of the Australian Underwater Federation Inc., the relevant AUF State Commissions. In particular, I will ensure that I practice the following:

1. **Safety** for myself and others is the first priority (maintain fitness and first aid training, never hyperventilate, carry safety equipment and if possible dive with a buddy).
2. **Sustainability** of marine life is necessary to ensure fish for the future. I will take only what I need and will KNOW and obey Fisheries and Marine Park regulations (A short test may be required to check your knowledge). As an amateur I WILL NOT sell fish or other marine life and will REPORT those undertaking illegal activities.
3. **Education** is important and I will inform people about the selectivity of spearfishing and will also help new and younger divers to learn this breathtaking sport.
